High Farm – Club Rules

The canoe club regularly meets before events at our boat storage facility at High Farm. It is important for the coaches of the canoe club to be able to carry out their duty of care towards all our paddlers and therefore we have a few simple rules that we ask all club members to adhere to:

- Young people (those under 18 years of age) must be delivered into the care of a canoe club coach before any event and must not under any circumstances be left on their own.
- Those under 18 are not allowed into the boat storage facility unless under the instruction and supervision of a canoe club coach.
- No under 18's are allowed on the mezzanine level in the boat storage facility accept under exceptional circumstances under the supervision of a canoe club coach.
- No club members are allowed on the mezzanine level in the boat storage facility accept under the supervision of another club member or canoe club coach.

The coaching team do their best to maintain high standards of care at all times both on and off the water.

Thank you for following these simple rules and helping to make paddle sport safer!
